**To:**

**Dr. Maysam Saidi**

**Faculty of Razi Mechanical Engineering Department**

**14 March, 2024**

**Dear Dr. Saidi**

**According to your request to do the homework, I have submitted this cover letter to you.**

**I am a student in the last semester of Bachelor of Mechanical Engineering and I have a great desire and interest in getting high grades in this course and for this purpose I will do my best and use my skills that I have a working experience in the graphic area in doing homework and I will use this lesson to learn.**

**I hope, you will be satisfied with my effort in this field and I will also learn with more effort.**

**Sincerely**

**Strength**

استحکام - قدرت

**Heat Treatment**
